Dear Mrs. Manley:

I received your letter of May 8th enclosing a copy of your open dates.

A schedule similar to the one that you drew up last year and sent to me, would be much more helpful, as it will give me an idea of where you will be on the preceding dates before the open ones and would simplify arrangements for bookings.

I wish you would send this to me.

The date that I am most worried about is the June 2nd date, when you say all of the teams are available. I haven't enough parks in this area to take care of six teams, but I am trying to complete arrangements out-of-town for the use of some minor league parks and if I am successful, will try to put on a promotion of games between two teams.

I'll be waiting for a copy of the schedule similar to the one you arranged for me last season.

Very truly yours,

*W. A. Leuschner*
